

Hambledon Hill is an extremely sensitive site for which a verbal agreement has recently been secured.

**The agreement only permits the use of Hambledon Hill as an XC launch platform,** consequently, Hambledon Hill must only be flown by **PILOT** rated individuals with a good level of XC experience.

There is **NO** bottom landing and soaring is not permitted.

Information notes are held in the members' area

([http://www.wessexhgpg.org.uk/members/sites/hambledon\\_hill.pdf](http://www.wessexhgpg.org.uk/members/sites/hambledon_hill.pdf)) and further information can be gained from the Club Committee.
