

The Club has a very tenuous hold on some sites and is almost totally reliant upon the continuing goodwill of farmers and landowners. Please ensure that the individual site rules in this guide are adhered to. They are all there for good reason!

In addition, the following general rules should always be followed:

1. BHPA membership is mandatory. Membership cards should be carried at all times whilst on Wessex flying sites.
2. Any flying accident must be reported to the safety officer as soon as possible. Any serious accident or incident must be reported to the BHPA.
3. Any damage to crops, property or animals must be reported to the sites officer immediately.
4. Follow the country code. Do not leave litter. Do not climb over fences or walls and always shut gates behind you. No barbeques on any of our sites.
5. Park in designated parking places. Do not obstruct roads, gates or tracks.
6. Drive considerately.
7. Be courteous to anyone you meet. After all, they may be the landowner.
8. Do not bring dogs onto club sites that are privately owned.
9. Avoid landing in crops and near livestock. Never over-fly sheep during lambing season.

Finally, please remember that (with the exception of Bell Hill) these are not 'our' sites! We have no unqualified right to use them. It is up to everyone to marshal the sites effectively to ensure that we don't outstay our welcome.
